Any reply received by the Office later than three months after the mailing date of the final rejection, even if timely filed, may reduce any earned patent term adjustment. See 37 CFR 1.704(b).

## **DETAILED ACTION**

## Response to Arguments

1. Applicant's proposed amendments filed on 7/28/04 to the claims 1-13, 21-40 and 54-66 will not be entered and the final rejection stands because:

Referring to the amended claims 1, 21, 31 and 54 would require further search and consideration as to the merits for regarding the amended "... represented by values used for controlling the image sensing apparatus...".

For those reasons, the amendment filed on 7/28/04 will not be entered.
